USAC Designation/Reason for Appeal

Form 471 #171049172- Mt Olivet SDA Junior Academy – Certified of out Window

Rationale for this request:

During the 2017-2018 filing window, I attempted to complete my school's 471 form. However, I was informed by my district, SOUTHEASTERN CONFERENCE OF SDA, that an application was filed on our school's behalf. After further research, I found that an application was submitted but was not completed. Therefore, our school was not linked to the district and a 471 was never filed.

As soon as this information was made available to me, I was able to go into the system and complete the 471 form for the organization. Since I was under the impression that our school was connected to the district's application, we were unable to file and certify the 471 by the deadline. We did however, complete the form on 5/26/2017 as soon as we received notice.

Circumstances to Consider

- I attempted to complete the form prior to the deadline but was unable to do so, due to the fact that our school was supposed to be connected to the district.
- The form was certified and completed on 5/26/2017, within 15 days of the window close

The request is made for a Waiver/Appeal to be granted. By granting this Waiver/Appeal, USAC could be directed to review Mt Olivet SDA Junior Academy's application for funding during the Funding Year 2017.

Your favorable consideration in this matter is greatly appreciated. Please feel free to contact me at any time if you have any questions.
