**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am tired of Comcast being a corrupt Monopoly , they are the only providers that are "allowed" to install lines that provide speeds that Trump other companies . I am basically forced to use their service and their service only because competition is not allowed due to Xfinity's deep pockets . They neglect consumer with their inflated rates and horrible customer service ! Give us options please !!!!! I would love sonic to be available in my area at the same speeds as Xfinity but Xfinity has a stronghold on my city. They offer better service that what I'm getting at half the price .
