**Re: WC Docket No. 17-192, CC Docket No. 95-155 – REPLY COMMENT FOR
AUCTION OF TOLL FREE NUMBERS IN THE 833 CODE**

Dear Chairman Pai,

I would like to request that the June 3, due date for comments and June 10th due date for reply comments be extended to give the Protest (B-417615.1) filed at the Government Accountability Office in response to my previous letter, a chance to be heard. The outcome of the GAO hearing may have significant impact on the timing and process of the 833 Auction. This whole process has already dragged on for over two years, and a small delay to insure nothing is done improperly shouldn't impact the outcome or benefit but may make a difference to the process which the comments are supposed to be for.

Very sincerely,
