Re: District of Columbia Telecommunications Relay Service Supplemental
Information

Dear Ms. Wilson:

Pursuant to the Federal Communications Commission's request, the Public Service Commission of the District of Columbia (DC PSC) supplements its previously filed Telecommunications Relay Service recertification application with the following certification. The DC PSC certifies that the District of Columbia Relay Service complies with all of the Consumer Proprietary Network Information rules that are now included in the TRS mandatory minimum standards outlined in 47 C.F.R. § 64.604(d).

Please contact me at bakane@psc.dc.gov with any further questions.

Thank you for your assistance in this matter.

Respectfully,

Betty Ann Kane
Chairman, DC PSC
