CC Docket No. 02-33

Metamora Telephone Company hereby provides notice that it intends to cease offering wireline broadband internet access service and CBOL service on a tariffed basis. Effective July 2, 2019 Metamora Telephone Company will begin offering wireline broadband internet access service and CBOL service on a Title II, common carriage, permissive detariffed basis pursuant to paragraph 94 of the Federal Communications Commission's Wireline Broadband Order¹. The geographic areas affected are those Metamora Telephone Company exchanges where DSL is technically feasible.

Today, this service is provided to Metamora Telephone Company's ISP. The ISP purchases wireline broadband access service and CBOL service for use as a component in their broadband internet service sold to residential and business consumers. End user service provided will not be affected by discontinuance of the tariffed offering by Metamora Telephone Company. As stated in the attached customer notice by Metamora Telephone Company will continue to offer services to existing ISP customers under current rates, terms and conditions until the end of their current term or upon replacement with a Broadband Commercial Agreement.

Metamora Telephone Company's rates, terms and conditions for its permissively detariffed wireline broadband access service will be available at its office located at 220 N. Menard Street, Metamora, IL 61548 and on its website at <https://www.mtco.com/>.

Dear Valued Customer:

CC Docket No. 02-33 - Notice of Permissive Detariffing of Wireline Broadband Internet Access Service and Consumer Broadband-Only Loop (CBOL) Service by Metamora Telephone Company - Study Area #341053

Currently Metamora Telephone Company is purchasing wholesale broadband transport service and Consumer Broadband-Only Loop (CBOL) service from MTCO Communications, Inc. This letter is to notify that effective July 2, 2019 services will be provided to you on a common carrier, non-tariffed basis.

The existing relevant rates, terms and conditions will not change for your existing service. Marseilles Telephone Company's rates terms and conditions for its non-tariffed wireline broadband access service and CBOL service are available at its office located at 220 Menard Street, Metamora, IL 61548 and on its website at <https://www.mtco.com/>.

The actions described above are taken in accordance with the FCC's Report and Order (FCC 15-150) released September 24, 2005 in Docket No. 02-33. In the order the FCC determined that facilities-based wireline broadband internet service and CBOL service providers could offer their services on a common carrier, permissively detariffed basis.

Sincerely,

Ann Dickerson, CFO
