Re: WC Docket No. 09-197  
Supplement to Hughes Network Systems, LLC Petition for ETC Status in New York

Dear Ms. Dortch:

On February 5, 2018, Hughes Network Systems, LLC ("Hughes") submitted a petition for designation as an eligible telecommunications carrier ("ETC") in the state of New York in the above referenced docket in order to receive Connect America Fund ("CAF") Phase II support awarded via the New NY Broadband Program ("Broadband Program").<sup>1</sup> In that petition, Hughes indicated that it was seeking ETC status only in the areas where it was awarded support through the Broadband Program.<sup>2</sup>

Hughes hereby attaches the list of the census blocks awarded by New York State under the Broadband Program for which Hughes now seeks an ETC designation. Please associate this letter with the Hughes petition for ETC designation in New York.

Please direct any questions regarding this filing to the undersigned.
