To Whom It May Concern,

I am requesting an application review for the three applications that I originally filed with USAC in April 2018. Upon the realization that my three USAC applications were tardy due to human error (a total oversight by me), I was advised by USAC to submit separate waiver requests to the FCC. I went ahead and did just that only to find out on Friday, May 25<sup>th</sup> that all three of my waiver requests were denied, without any explanation as to why they were rejected. I kindly request that you review these three applications (Nos. 181042455, 181042603, 181042609) as I feel it is unfair that our school and ultimately, our students, be penalized for my mistake.

I am available by phone and/or email to answer any questions you might have. Once again, I apologize for my error. I hope that you will review our applications and reconsider your decision regarding our school's ability to receive USAC funds. I can be reached at (860)236-4221, x132 or via email at [bboyle@nwcath.org](mailto:bboyle@nwcath.org). Thank you in advance for your time and consideration.

Sincerely,
