Re: WC Docket 10-90, Connect America Fund

Dear Ms. Dortch,

On May 30, 2018, Stacy Fuller, Cathy Carpino, and the undersigned of AT&T met with Jay Schwarz of Chairman Pai's office to discuss the importance of establishing realistic performance measurement guidelines for all Connect America Fund (CAF) recipients. The methodology for determining compliance with speed and latency requirements should have been established before price cap carriers were offered CAF funding in 2015. However, for the CAF II Auction to succeed it is imperative that participants have a common understanding of the obligations they are bidding to accept. AT&T urged the Commission and the Wireline Competition Bureau to release an Order as quickly as possible.

If you have any questions about this filing, please contact me at (202) 457-2041.

Sincerely,

/s/ Mary L. Henze
