Request for Waiver

Lamoni Community School District, in accordance with Sections 54.719 through 54.721 of the Commission's Rules, requests Federal Communication Commision waiver of the deadline for submission of Fund Year 2018 Form 471 Discounted Services Application. This would be consistent to precedent in Academy of Math and Science, and are asking to waive the filing deadline for this application.¹ I have been in this position for nine months and have worked hard to reduce our funding request by approximately 75%. I correctly filed form 470 but did not realize there was a problem until I attempted to fill out form 486 on May 24, 2018.
