Re: *Telephone Number Portability, et al.*, CC Docket No. 95-116, WC Docket Nos.
07-149 & 09-109.

Dear Ms. Dortch:

On May 29, 2018, Richard Jacowleff, Kathy Timko, Tara Diaz, Glenn Reynolds, Cathy McMahon and Joel Zamlong, all of Telcordia Technologies, Inc., d/b/a iconectiv, (“iconectiv”), and I met with Kris Monteith, Chief, and Ann Stevens, Deputy Division Chief, of the Wireline Competition Bureau. The iconectiv attendees expressed an ongoing desire to work with the Bureau following the successful transition. We also described the ongoing issues pending before the LNPA Transition Oversight Committee, and the need over the longer term for some kind of framework within which the industry could collaboratively work to ensure that there continue to be consensus practices and processes with respect to interfaces with the NPAC.

Please contact me if you have any questions.

Respectfully submitted,

John T. Nakahata
*Counsel to Telcordia Technologies, Inc.,
