Re: *Notice of Ex Parte Meeting*, GN Docket No. 18-122

Dear Ms. Dortch:

Per FCC Rule 1.1206, this letter provides notice that on May 30, 2019, Bill Tolpegin, CEO, and Peter Pitsch, Executive Vice President, Advocacy & Government Relations, of the C-Band Alliance (“CBA”) met with Will Adams, Legal Advisor to Commissioner Brendan Carr.

At the meeting, Mssrs. Tolpegin and Pitsch discussed the CBA’s continued outreach to interested stakeholders and efforts to provide greater transparency regarding its proposal to repurpose a portion of the C-band for terrestrial 5G use, including:

- (1) its proposed Transition Implementation Process to clear -- in an 18-36 month time frame -- 200 MHz (inclusive of a 20 MHz guard band) for terrestrial 5G use that would ensure uninterrupted service to existing satellite customers,¹
- (2) additional details of its proposed band plan to transition spectrum to terrestrial mobile operators as part of a voluntary market-based process that would foster 5G deployment in the near and intermediate term,² and
- (3) its commitment to utilize a transparent, efficient, and competitive auction process that would serve the Commission’s public interest goals.
