

CERTIFICATION

I, Ken Borner, hereby certify as follows:

1. I am the Vice President – Engineering & Network Operations for ATN International, Inc. and its affiliates/subsidiaries (collectively, “ATN”) for mainland US operations. The following certification is applicable to the mainland US operations of ATN. A separate certification and/or waiver request will be submitted by the personnel in charge of offshore ATN operations (*i.e.*, operations in the United States Virgin Islands).

2. As of April 3, 2018, (1) ATN does not provide service or report live call data in one or more of the Test Cities, (2) ATN is providing dispatchable location or x/y location information within 50 meters for at least 50 percent of all wireless 911 calls, (3) it has deployed the indoor location technology or technologies used in its networks consistently with the manner in which such technologies have been tested in the test bed, and (4) it has verified based on its own live call data that it is in compliance with the three-year benchmark set forth at 47 CFR §20.18(i)(2)(i)(B)(2).
