**Re: *Call Authentication Trust Anchor*, WC Docket No. 17-97**

Dear Ms. Dortch:

On May 31, 2018, the undersigned, along with Glenn Clepper, Robert Dianda, and Sean Mulloy, all of Charter Communications, met with Wireline Competition Bureau staff Kenneth Carlberg, Eric Burger, Jerusha Burnett, Sherwin Siy, Heather Hendrickson, and John Adams to discuss call authentication. During the meeting, Charter expressed its ongoing commitment to protect its customers from illegal robocalling and spoofing, and its continued involvement in the development of industry standards for the SHAKEN/STIR framework. Charter also discussed its plans for implementing SHAKEN/STIR and some of the barriers that needed to be resolved in order to deploy the framework effectively.

Sincerely,

/s/ Christianna Barnhart
