CERTIFICATION

I, Jonathan D. Foxman, hereby certify that I am an officer of Texas 10, LLC (the “Company”), and that I am familiar with and have responsibility for the Company’s indoor location accuracy compliance, as set forth in 47 C.F.R. §§ 20.18(i) of the rules of the Federal Communications Commission.

As of April 3, 2018,

- (1) Company does not provide service or report live call data in one or more of the Test Cities,
- (2) Company is providing dispatchable location or x/y location information within 50 meters for 50 percent of all wireless 911 calls,
- (3) Company has deployed the indoor location technology or technologies used in its networks consistently with the manner in which such technologies have been tested in the test bed, and
- (4) Company has verified based on its own live call data that it is in compliance with the three-year benchmark set forth at 47 CFR § 20.18(i)(2)(i)(B)(1).

Company represents and warrants that the above certification is consistent with 47 C.F.R. § 1.17 which requires truthful and accurate statements to the Commission. Company acknowledges that false statements and misrepresentations to the Commission are punishable under Title 18 of the U.S. Code and may subject it to enforcement action.
