To Whom It May Concern:

I urge the FCC to designate a currently undesignated or repurpose a currently designated _11 code for the sole purpose of a national suicide prevention and mental health hotline. This would assist our community with serving those in crisis who have no idea who to call for help when suicidal or in mental health crisis.

Sincerely,

A handwritten signature in black ink, appearing to read 'Chris Perry', with a long horizontal line extending to the left.

Chris Perry, LPC, NCC

Concerned Mental Health Professional
