RE: WT Docket No. 18-197, Confidentiality of NRUF/LNP Data

Dear Mr. Stockdale and Ms. Harris:

The Pennsylvania Office of Attorney General (the "Attorney General") is conducting an inquiry into whether the proposed acquisition of Sprint Corporation by T-Mobile US, Inc. would violate any federal or Pennsylvania laws. In connection with this investigation, the Attorney General is seeking access to documents and information that contain Numbering Resource Utilization and Forecast ("NRUF") data and local number portability ("LNP") data pursuant to its subpoena power under 71 P.S. § 307-3.

The Attorney General shall not divulge any documents or information it receives pursuant to 71 P.S. § 307-3 (a) except in connection with a legitimate law enforcement purpose or a judicial proceeding. See 71 P.S. § 307-3 (b). Additionally, if any documents or information received pursuant to 71 P.S. § 307-3 should become the subject of a discovery request or public records request by a third party, the Attorney General shall assert all privileges, exemptions from, or other objections to disclosure in response to such request that the Attorney General in good faith deems appropriate under applicable law.

If you have any questions or concerns, please feel free to call me at (717) 787-4530.

Sincerely,

A handwritten signature in blue ink, appearing to read "Joseph S. Betsko".

Joseph S. Betsko
Senior Deputy Attorney General
