Re: CC Docket No. 02-6

To whom it may concern:

Jesuit Academy is an accredited 4th-8th grade school in Omaha, Nebraska. We seek a waiver to complete FCC Form 471 outside the filing window so that we can complete our e-rate application with the USAC.

We are seeking this waiver due to recent transitions at our school that led to the Form 471 not being completed. In February, 2019 our principal announced his resignation effective at the end of the school year and a search began to replace him. A new principal was hired in April, but he will not begin his tenure until July 1. During this transition period, a number of items, including the Form 471 were not completed.

The incoming administration was not aware that these forms were not completed until the final week of May. Documentation of this transition can be found on our school website and at the links below.

Receiving this waiver will allow us to complete Form 471 (CC Docket No. 02-6) so that we can seek an appeal from USAC to complete our e-rate application for the 2019-2020 school year.

Sincerely, Mike Mansour
