Ms. Dortch,

CC Docket No. 02-6

It is our understanding that our appeal with the Universal Service Administrative Co. ("USAC") has been sent to your attention for decision on funding or not funding based on our appeal we submitted to USAC in December of 2017.

We wanted to reach out on behalf of AAA Academy and most importantly the students and community they serve. Single Path has been providing Internet Access and Hosted VoIP services for the school for the past 5 years, 3 of the 5 years were funded and 2 of the 5 years are in review for appeal with the FCC. This includes an appeal from November 2014 and also the most recent appeal sent to USAC in December of 2017.

We are hopeful that you can expeditiously review both appeals and approve funding. We believe that these students deserve every opportunity to be successful, so while waiting on your organization's decision, Single Path in good faith has continued to provide services to not impact AAA Academy's students.

The mission of this school is vital to support those students which the public education system has given up on.

AAA Academy:

"The AAA Academy is a non-for-profit 14-7.02 private therapeutic day school. It has been approved by the Illinois State Board of Education to serve the needs of students ages 5 through 15 with emotional, behavioral, learning disabilities and other health impairments as well as those considered to be at-risk. AAA Academy provides a structured academic program for placement of students in grades k through 8, utilizing a unique 5-1 teacher to pupil ratio. AAA Academy's concept of reducing class size goes along with a belief that to

communicate one on one with students increases the chance of reaching them. AAA Academy was created with the idea and principle belief that "ALL CHILDREN ARE WORTH SAVING". This belief allows us to provide alternative placements to students with different needs, while allowing them to obtain needed academic achievement. Students experiencing difficulty in the traditional school environment are placed with AAA Academy because of our fundamental belief that all children can learn."

For your convenience, included are copies of both FCC appeals.

Again thank you for your support in advance. Please contact me if you have any questions or need any additional information.

Decision of the)	
Universal Service Administrator)	

REQUEST FOR REVIEW OF A DECISION OF THE
UNIVERSAL SERVICE ADMINISTRATOR

Alternative Academic Achievement Academy ("AAA Academy"), pursuant to Section 54.721 of the Commission's Rules, seeks review of the decision of the Universal Service Administrator rejecting application for funding for AAA Academy's Form 471 application number 921751 (Funding Request Number 2515154). The Universal Service Administrator denied the funding request because it was determined that the costs of the products and services in the funding request were significantly higher than the costs generally available in our marketplace for the same or similar products or services. As demonstrated herein, the costs and services were in-line with market rates at the time of the original application in 2012 and there were extenuating circumstances regarding build-out disputes with CN & Hawkeye Railroad corporations in the vicinity of AAA Academy and fluctuations in student enrollment year over year.

AAA Academy is a non-for-profit 14-7.02 private therapeutic day school. It has been approved by the Illinois State Board of Education to serve the needs of students ages 5 through 15 with emotional, behavioral, learning disabilities and other health impairments as well as those

considered to be at-risk. AAA Academy provides a structured academic program for placement of students in grades k through 8, utilizing a unique 5-1 teacher to pupil ratio. AAA Academy's student enrollment can fluctuate year to year anywhere from 40 to 100 students. AAA Academy's Form 471 application was designed to be able to accommodate the high end of potential enrollment that might be seen in any given school year.

AAA Academy's Form 471 application number 921751 (Funding Request Number 2515154) was originally submitted for an original monthly cost of \$9,350.00. Actual charges including all ineligible charges are closer to \$7,900.00 per month. Accompanying this is a copy of the billing summary for invoice 20643891, which shows total charges of \$7,871.93. This is comprised of hosted voice charges of \$1,418.70, Secure 100MB Internet Access charges of \$4,815.00, WAN Service charges (for eligible on premise priority equipment for Internet/VoIP services) of \$1,245.00 and Taxes/Fees/Surcharges of \$393.23. We believe these charges are in line with market rates for the Chicagoland area for our student enrollment numbers when originally applied for in 2012 and secured in a 60 month contract. The original application was rejected by USAC on 5/14/14 for reasons of DR1: Applicant has not provided sufficient documentation needed to determine the eligibility of the following item(s): VoIP service. DR2: The FRN is denied because the applicant failed to respond to the Administrators Cost Effectiveness Review Information Request. You did not provide any documentation to determine if the entity met program rules requirements for competitive bidding, and cost effectiveness. AAA Academy timely filed a Letter of Appeal with USAC, which was denied in a letter dated September 24, 2014 (a copy of that letter is attached). AAA Academy is now seeking review by the Commission of that USAC decision, within the 60-day period specified in Section 54.720 of the Commission's Rules.

AAA Academy believes that the circumstances here warrant review of the previous application and USAC appeal.

Appellant: Single Path LLC

Decision Letter Date: October 14, 2017
Appeal Postmark Date: December 13, 2017

Dear Ms. Dortch:

The Universal Service Administrative Company (USAC) has received an appeal submitted by the appellant indicated above. Because the issue raised on appeal relates to denial of funding for which USAC has already issued its decision, the appellant should have appealed to the Federal Communications Commission (FCC) rather than to USAC pursuant to 47 C.F.R. § 54.719(b). FCC staff has requested that when USAC receives an appeal under these circumstances, USAC should transmit the appeal directly to the FCC for consideration rather than returning the appeal to the appellant. USAC has determined the appeal was filed within the 60 day appeal window set forth in 47 C.F.R. § 54.720(a).

**Universal Service

USAC is hereby transmitting to the FCC a copy of the appeal filed by the appellant, which is attached to this letter.

ATTN: Appeals

Single Path LLC, SPIN 143030968, as a Service Provider we are appealing the decision on 10/14/2017 denying the appeal case #27014 for AAA Academy BEN 16046483, for FRN's 1699104906, 1699104892 (PDF attached) with the cause stated:

"During the appeal review process you were given an opportunity to provide the missing vendor support documentation. Program Compliance made initial contact with you on 8-24-2017 and asked you for the current documentation to support the FRNs. You were instructed that the request was time sensitive and that a response was expected within fifteen (15) calendar days. On 8-31-2017, Program Compliance contacted and reminded you that the requested documentation due date was 9-8-2017. On 9-21-2017 an incomplete letter was also sent for current documentation. As this information was not forthcoming, your appeal is denied. USAC Schools and Libraries Division oversees the administration of the E-rate Program and has the authority to make decisions concerning the administration of the application process, including activities to ensure compliance with Federal Communications Commission rules and regulations. See 47 C.F.R. sec. 54.705(a)(1)(iii). To conduct these reviews, USAC has put in place administrative measures to ensure the prompt resolution of applications. If applicants do not respond within the designated time period, USAC reviews the application based on the information available. See Request for Review of the Decision of the Universal Service Administrator by Marshall County School District, Moundsville, West Virginia, Federal-State Joint Board on Universal Service, Changes to the Board of Directors of the National Exchange Carrier Association, Inc., File No. SLD-220105, et al., CC Docket Nos. 96-45 and 97-21, 18 FCC Rcd 4520, 4522, Order, DA 03-764 para. 6 (rel. Mar. 13, 2003). Typically, applicants are required to respond to USAC's requests for additional information necessary to complete their application within 15 days of being contacted. See Request for Review of the Decision of the Universal Service Administrator by Bishop Perry Middle School, New Orleans, Louisiana, et al., Schools and Libraries Universal Service Mechanism, File Nos. SLD-487170, et al., CC Docket No. 02-6, Order, 21 FCC Rcd 5316-5317, FCC 06-54 para. 23 (rel. May 19, 2006) (Bishop Perry Order). See also Application Review posted in the SLD section of the USAC website. For those instances where USAC contacts the applicant in reference to a Selective Review Information Request, the applicant may be provided 30 days to comply with the request. This procedure is necessary to prevent undue delays during the application review process."

We believe this was a clerical oversight. For we the service provide had provided the information request to the

applicant, was shared on 9/22/2017 to complete request by review. We have included a copy of the following:

USAC letter requesting information be answered by 9/22/2017

Single Path request for support from applicant 9/21/2017

Single Path response with invoices sent on 9/22/2017 with direction to forward to USAC by EOD.

Invoices included to satisfy USAC request.

We are requesting that this be sent back to PIA, so any and all required documentation can be completed and approved. This services in question have been supporting the education for the Students of AAA Academy, and we want to ensure that these students continue to receive the highest form of education to support their learning.

Please contact us at your earliest convenience to ensure this decision is corrected.

This is to be corrected and returned by tomorrow 9-22-17. The spreadsheet is confusing and not sure of what is being requested if this is for Single Path, Comcast or whom. Figures don't add up according to phone call I received today. Please take care of this. I should not be getting these kind of phone calls, if the appeal does fail it's on Single Path.

Please provide vendor documentation which supports the funding request amount of \$6,060.00 per month (Data Transmission / Internet Access) and \$1,677.12 per month (Voice) respectively.

Note: Any vendor documentation (e.g. contracts, vendor quotes, vendor bills, invoices, etc.) provided should clearly identify any ineligible charges that were cost allocated out of your request. Also, please be sure to explain any discrepancies between the amount requested and amount supported.

2

If you are requesting additional dollars to accommodate expected growth or increased usage, please provide any relevant documentation that you used when determining the estimate for expected growth or increased usage.

If you are unable to provide the requested information because your school or library has closed for summer break, please indicate in writing the timeframe that you will be unavailable to respond.

Should you wish to cancel your appeal(s), please clearly indicate in your response that it is your intention to cancel your appeal(s). Narrative

AAA Academy (BEN 16046483) is appealing the FDL Dated 10/10/2016 which denied services provided by Single Path (SPIN 143030968) for VoIP (FRN 1699104892) and Internet Access (FRN 1699104906). The reason for appeal is that AAA Academy no longer uses E-Rate Solutions Group as our E-rate Consultant and all PIA inquiries went to our former consultant verses, our School which caused your FDL to Deny based on:

FRN 1699104906

"DR1: Applicant has not provided sufficient documentation needed to determine the eligibility of the following item(s): Interconnected VoIP Service"

and

FRN 1699104906

"DR1: Applicant has not provided sufficient documentation needed to determine the eligibility of the following item(s): Fiber Ethernet"

Attached is a copy of the 471 which clearly shows E-Rate Solutions Group was the main contact. Also attached is a screen shot showing no action taken on PIA inquiries.

We are looking forward to your decision to overturn the denial and to allow AAA Academy another opportunity to respond to any and all inquiries. This will allow us to continue to provide quality education for our students.

"During the appeal review process you were given an opportunity to provide the missing vendor support documentation. Program Compliance made initial contact with you on 8-24-2017 and asked you for the current documentation to support the FRNs. You were instructed that the request was time sensitive and that a response was expected within fifteen (15) calendar days. On 8-31-2017, Program Compliance contacted and reminded you that the requested documentation due date was 9-8-2017. On 9-21-2017 an incomplete letter was also sent for current documentation. As this information was not forthcoming, your appeal is denied.]USAC Schools and Libraries Division oversees the administration of the E-rate Program and has the authority to make decisions concerning the administration of the application process, including activities to ensure compliance with Federal Communications Commission rules and regulations. See 47 C.F.R. sec. 54.705(a)(1)(iii). To conduct these reviews, USAC has put in place administrative measures to ensure the prompt resolution of applications. If applicants do not respond within the designated time period, USAC reviews the application based on the information available. See Request for Review of the Decision of the Universal Service Administrator by Marshall County School District, Moundsville, West Virginia, Federal-State Joint Board on Universal Service, Changes to the Board of Directors of the National Exchange Carrier Association, Inc., File No. SLD-220105, et al., CC Docket Nos. 96-45 and 97-21, 18 FCC Rcd 4520, 4522, Order, DA 03-764 para. 6 (rel. Mar. 13, 2003). Typically, applicants are required to respond to USAC's requests for additional information necessary to complete their application within 15 days of being contacted. See Request for Review of the Decision of the Universal Service Administrator by Bishop Perry Middle School, New Orleans, Louisiana, et al., Schools and Libraries Universal Service Mechanism, File Nos. SLD-487170, et al., CC Docket No. 02-6, Order,

21 FCC Rcd 5316-5317, FCC 06-54 para. 23 (rel. May 19, 2006) (Bishop Perry Order). See also Application Review posted in the SLD section of the USAC website. For those instances where USAC contacts the applicant in reference to a Selective Review Information Request, the applicant may be provided 30 days to comply with the request. This procedure is necessary to prevent undue delays during the application review process."

We believe this was a clerical oversight. For we the service provide had provided the information request to the applicant, was shared on 9/22/2017 to complete request by review. We have included a copy of the following:

- USAC letter requesting information be answered by 9/22/2017
- Single Path request for support from applicant 9/21/2017
- Single Path response with invoices sent on 9/22/2017 with direction to forward to USAC by EOD.
- Invoices included to satisfy USAC request.

We are requesting that this be sent back to PIA, so any and all required documentation can be completed and approved. This services in question have been supporting the education for the Students of AAA Academy, and we want to ensure that these students continue to receive the highest form of education to support their learning.

Please contact us at your earliest convenience to ensure this decision is corrected.
