In the Matter of

Amendment of Section 73.202(b), RM-8052 Table of Allotments, FM Broadcast Stations. (Essex, California)

NOTICE OF PROPOSED RULE MAKING

Adopted: August 3, 1992; Released: September 8, 1992

Comment Date: October 30, 1992 Reply Comment Date: November 16, 1992

By the Chief, Allocations Branch:

1. Before the Commission for consideration is the petition for rule making filed on behalf of Dunes Broadcasting ("petitioner") requesting the allotment of Channel 280B to Essex, California, as that community's second local FM service. Petitioner stated its intention to apply for the channel, if allotted.

2. We believe the public interest would be served by proposing the allotment of Channel 280B to Essex since it could provide a second local FM service to the community. Channel 280B can be allotted to Essex consistent with the minimum distance separation requirements of Section 73.207(b)(1) and (3) of the Commission's Rules, without the imposition of a site restriction. However, since Essex is located within 320 kilometers (199 miles) of the United States-Mexican border, the Commission must seek concurrence of the Mexican Government in the proposal.

3. Accordingly, we believe it is appropriate to seek comments on the proposed amendment to the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, with respect to the community listed below, as follows:

Table with 3 columns: City, Present, Proposed. Row 1: Essex, California, 255B, 255B, 280B

4. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

6. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules. See Certification that Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules, 46 FR 11549, February 9, 1981.

7. For further information concerning this proceeding, contact Nancy Joyner, Mass Media Bureau, (202) 634-6530. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no ex parte presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An ex parte presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an ex parte presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an ex parte presentation and shall not be considered in the proceeding.
