EXHIBIT A

INFORMATION RELEVANT TO 47 C.F.R. § 21.912

As far as can be determined, there are no reliable and complete listings of MDS/MMDS authorizations or applications organized by holding company name. The 1992 Factbook has a short section entitled "MDS & MMDS Ownership," which is organized alphabetically by company name. (See 1992 Factbook, Services Vol., pages E-88 to E-98.) A review of this section did not reveal any companies in which Investors have an attributable ownership interest. The Factbook also has state-by-state listings for MDS and MMDS. A review of these sections did not reveal any companies in which Investors have an attributable ownership interest. (See 1992 Factbook, Services Vol., pages E-69 to E-87.) It is noteworthy that the two interests identified on the attached Exhibit did not appear in the directory. As far as can be determined, there are no industry guides available that identify leased MDS/MMDS systems and the lessors and lessees of each.

MULTIMEDIA, INC.

As of August 27, 1992, Investors were entitled to vote stock interests in Multimedia, Inc. ("Multimedia") representing 1.28 percent of the voting power in the company.

Interests in Multimedia were first acquired on October 16, 1985. Investors' holdings have remained below five percent.

According to Multimedia's latest annual report, the company holds authorizations for MDS/MMDS systems in Wichita, Kansas and Oklahoma City, Oklahoma.
