471 Out of Window Certification - Funding Year 2018-19

Date Certified: 06/09/2018

Form 471 Application #: 181042975

Funding Request Number(s): 1899083849

TOTAL Dollar Amount for FRN reimbursement: \$1,367.64

FCDL Date -N/A

Service Provider Name: Great Plains Communications Inc.

Service Provider Identification Number: 143002186

USAC Designation/ reason for appeal:

'Certified - Out of Window'

Rationale for this Request:

As the main contact for our library, I filled out our eRate form 470 on January 8, 2018. Based on this date, our allowable contract date was February 5th, 2018. On February 3rd, I was diagnosed with influenza and was not allowed to work. The influenza then turned into pneumonia. My

extended illness caused me to miss almost two months of work. Consequently, my illness encompassed our library's entire filing window for the form 471. Unfortunately, I am the only person at our library with the knowledge and authorization to file eRate forms.

I just submitted our 471 for this year, and the status is Certified- Out of Window. I am asking that you consider a waiver for our organization due to my unforeseen medical issues.

The Hastings Memorial Library respectfully petitions the Commission to request a waiver of the Funding Year 2018 FCC Form 471 filing deadline on behalf of the Hastings Memorial Library to allow the Out of Window submission of their E-Rate Funding Year 2018 FCC Form 471 **181042975**.

Your favorable consideration in this matter is greatly appreciated.
Please feel free to contact me at any time should you have questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Robin Quinn". The signature is fluid and cursive, with a large initial "R" and a long, sweeping underline.
