In re: HONOLULU COMMUNITY ACTION PROGRAM  
Billed Entity Number: 16039344  
Appellant: E rate Solutions Group  
Funding Year: 2016 FCC Form 471:161029676 – FRN's – 1699060515, 1699060525, 1699060549

Dear Ms. Dortch:

This is a "Letter For a Waiver of the 60 day time to file an appeal for Commitment Adjustment Letter filed on 4/10/2018. The adjustment was issued claiming duplicate services which is not the case, because each site has only one service provider. Due to various system issues, outages and maint., we were unable to file the appeal by the end of the 60 day time (which ended on June 9, 2018) to file an appeal as due to EPC issues and Summer Deferral period.

Therefore, since the application should not have been denied and the EPC system should have been more reliable and accessible that the enclosed information should be accepted. Please accept this appeal which only a few days late due to the issues raised above so that the school is not penalized.

I believe that the intent of the program is to make sure all eligible schools and libraries receive phone, internet access and internal networking equipment maintenance services as well as internal networking equipment. This school should not be penalized due to any delays in providing requested information which was beyond their control. I sincerely hope that this material will be reviewed and the application reviewed on the information previously provided.

Thank you,
