To whom it may concern;

Regarding MB 18-184

My name is Tomas Martinez and I am the CEO of Solmart Media, Owner of WZZS 106.9 FM in Zolfo Springs, Florida as well as WZSP-FM 105.3 Nocatee, Florida.

I fully support the FM Class C4/73.215 petition filed by MMTC and SSR Communications, Inc. and urge the Commission to adopt the complete proposal.

We broadcast in a rural area which includes Sebring, Arcadia and Port Charlotte with little or no interference. We are also dedicated to serve and entertain our Spanish listening audience during moments of needs such as Hurricanes as well as during normal times.

I ask that you consider full implementation of the MB 18-184 proceeding without delay.

Sincerely,

Tomas Martinez
CEO- Solmart Media LLC
