Re: Modernization of Media Regulation Initiative, MB Docket No. 17-105

Dear Ms. Dortch:

On June 11, 2018, Keith Murphy, Senior Vice President, Government Relations and Regulatory Counsel of Viacom Inc. ("Viacom"), met with Commissioner Michael O'Rielly and Brooke Ericson, Chief of Staff and Media Advisor to the Commissioner.

During the meeting, Mr. Murphy discussed the points raised by Viacom in its reply comments, which were filed in the above-captioned proceeding on August 4, 2017.¹ He noted that the marketplace for children's programming and the expectations and behavior of parents and their children have undergone significant change in the 27 years since the Commission's children's programming rules and policies were adopted. Mr. Murphy suggested that the record demonstrates that these changes warrant thoughtful examination of, and potential changes to, those rules and policies.

Please direct any questions regarding this filing to the undersigned.

Sincerely,

/s/ Matthew S. DelNero
