RE: Section 63.71 Amendment Letter to Application of Windstream Services, Inc. – WC
Docket 19-149.

Dear Ms. Dortch:

Windstream Services, LLC respectfully files this Amendment to Application for Authority to Discontinue certain services that was filed with the Commission on May 16, 2019 in Docket No. WC 19-149.

The original Application to Discontinue certain services requires amended. Specifically,

In the caption “Windstream Services, Inc.,” should be “Windstream Services, LLC.”.

In the Title of the Application, the Applicant name, “Broadview Networks, Inc.” should be replaced by “Windstream Services, LLC.”

Paragraph 1.d., should be amended to remove all services listed other than Ethernet over Copper service.¹

Paragraph No. 6 should be amended so as to apply only to Ethernet over Copper service.

¹ Only Ethernet over Copper service will be made unavailable as a result of Verizon’s copper decommissioning – only it is unavailable over fiber facilities. Windstream is leasing the replacement fiber from Verizon and will make available the other listed services to customers if they choose to retain them over the leased fiber facilities.

The certificate of service contains an incorrect date. The correct date was May 16, 2019, rather than April 25, 2019.

The original Application is hereby amended consistent with these modifications.

Please feel free to contact me if you have any questions regarding this amendment.

Sincerely,

A handwritten signature in black ink that reads "Edward J. Cadieux". The signature is written in a cursive, flowing style with a large initial 'E'.

Edward J. Cadieux
