DATE: July 5, 1990

ISSUE: City Government

PROGRAM: Regular newscasts

TIME: Hourly newscasts

DATE: March 15 and 16

DURATION: Reports lasted 60 to 120 seconds each

DESCRIPTION: On March 15, the Glens Falls Common Council voted to abolish section six-sixteen of the city charter. Six-sixteen prevented firefighters and police officers from seeking political office. Firefighter Dan Girard violated the provision by seeking, and winning, the first Ward Common Council seat in November's election. Girard was subsequently fired from the fire department. The abolition of six-sixteen does not mean Girard will be reinstated to the fire department.

ISSUE: Ecology

PROGRAM: Regular newscasts

TIME: Hourly newscasts

DATE: February 20th, with reports continuing for a week

DURATION: Reports lasted 60 to 120 seconds each

DESCRIPTION: The Hudson Falls village board on February 20th closed the Hudson Falls Trash Plant Site. The action came after alleged environmental problems at the location. Village officials charge PCBs could be present at the site. The Foster-Wheeler Corporation, which is building the plant, eventually agrees to stop construction, after the village padlocks the gates to the River Street property. Foster-Wheeler claims the delay will wind up costing taxpayers more money. The issue will be resolved in the courts.
