**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm a consumer and support broadband competition.

I choose a competitive provider because it gives me the freedom to find a provider that doesn't drive up the costs while delivering bad quality internet.

I think that the competition is important to giving users fast and competitive prices.

Thanks,
Jennifer
