**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition. Before I switched to Sonic quite a few years ago, I was subscribing to cable and had phone support by AT&T. I finally cut the cord because I could not afford the price hikes I continually got with cable where you got consistently less for more charges.

Sonic provides me great broadband service at a reasonable price and rate increases are minimal.

My friends who live in another part of the city cannot get Sonic and must pay 3X extra for AT&T to get phone and internet services.

Thank you.
