**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please do not make a decision to eliminate the smaller providers from using the fiber that connects me to the internet. Please leave competition in place. The huge companies provide very poor service and do not respond to our particular needs, rather to their own. I choose a small company because I can talk with them, and get maximum service for lower costs; I do not pay for things I don't want. I am on a fixed income and this is very important!

Thanks for making decisions that includes us all.
