**Re: Wireline Infrastructure, WC Docket No. 17-84
Implementation of Section 621(a)(1), MB Docket No. 05-311**

Dear Ms. Dortch,

On June 12, 2018, Rick Chessen and Steve Morris of NCTA – The Internet & Television Association (NCTA), Howard Symons of Jenner & Block, on behalf of NCTA, David Don and Jordan Goldstein, on behalf of Comcast, Maureen O’Connell and Christianna Barnhart, on behalf of Charter Communications, and Barry Ohlson and Jennifer Prime, on behalf of Cox Enterprises, met with Matthew Berry, Chief of Staff to Chairman Pai, and Nick Degani, Senior Counsel to Chairman Pai, to discuss the above-referenced proceedings. Consistent with prior submissions by NCTA,¹ we requested that the Commission take action in both proceedings to prevent state and local governments from imposing duplicative regulations and fees and other regulatory obstacles that have the effect of hindering the deployment of new facilities and services by cable operators.

This letter is being filed electronically pursuant to section 1.1206 of the Commission’s rules.²

Respectfully submitted,

/s/ Rick Chessen

² We inadvertently failed to file this notice within two business days of the presentation. Given the inadvertent nature of the delay, and the fact that the presentation contained no information that has not already been presented in these proceedings, we request a waiver of the filing deadline in Sec. 1.1206(b)(2)(iii) of the Commission’s rules. Late filing of this notice will ensure a complete record of NCTA’s ex parte presentations in these proceedings.
