Federal Communications Commission

Regarding MB 18-184

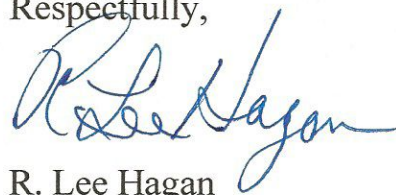

I am R. Lee Hagan, owner of WCSN-FM, 105.7, a Class A station in Orange Beach/Gulf Shores, Alabama. We are the only local FM station serving the area.

I fully support the FM Class C4 / 73.215 petition for rulemaking filed by MMTC and SSR Communications, MB 18-184.

The area I serve is one of the fastest growing areas in the country. Our ability to provide desired service for the rapidly expanding area would be greatly enhanced were this change implemented by the Commission.

I ask your support for this proposal.

Respectfully,

A handwritten signature in blue ink, appearing to read "R. Lee Hagan", is written over the typed name.

R. Lee Hagan
