**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As a consumer that is consistently fighting for fair and competitive pricing, I support broadband competition. It is the only way these mega giants dont hit the people harder on pricing. The people have already been impacted, including inner city families that especially need internet access to be successful.

The rules on net neutrality have already been impacted, and now this?? Not ok. I support competition and fair and competitive pricing.
