**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I signed up for Sonic broadband years ago because of its superior speed and customer service. Sonic continues to be out in front. They were the first to offer fiber in our neighborhood and their price point remains competitive. A fast and affordable connection is critical when my wife and I work from home. Without broadband competition, we would still be stuck in the slow lane.
