**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

When I moved to San Francisco, I was thrilled to have the option of choosing a small local internet provider that provides faster internet at cheaper prices than both AT&T and Comcast could offer. Not to mention the years of battles I had with Comcast who I believe to be America's absolutely worst company in regards to the price of service and product provided.

Please please please don't change ANYTHING that makes it harder to compete with these giants who provide really pretty subpar service.

Thank you!
