**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have been a customer of Sonic.net for many years. I support broadband competition. They are cheaper than the big name companies, and give good service. Please don't listen to the big phone, internet providers. They need competition. They help people who need a competitive price for their service. I am tired of big companies getting to take advantage of the so called little people. I also am provided with a telephone service which I use. Thank you for reading my concerns.
