**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

This is just another destructive act of personal freedom in this nightmare coup of our Republic into this "Plutocratic Fascist Capitalist Oligarchy".

How could anyone defend an action to privatize the internet and thus take away that service granted to the people freely, 'BY THE PEOPLE' - remember 'the people'.

I myself will most likely have to quit the internet if it is raped for corporate financial interest over 'of, by, and for the people'!

David Peterson
