**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose Sonic because it's an amazing service-- it's fast, support is great, and they value privacy. It's been, hands down, one of the best companies I've done business with. The other choices, like Comcast, treat their customers poorly-- they have bad service, bad support, increase prices regularly, advocate for less privacy (like the ability to sell my data) and do shady things like bandwidth caps.

PLEASE do not let the incumbent companies kill competition. It might be great for them, but It's bad for America.
