**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Sonic is a local provider providing better service than Comcast. I have not liked Comcast for a long time. Their customer service is terrible and their prices too high.

We should not be held hostage to monopolies. This is a country of competition. Comcast should be inspired to improve and compete fairly. As an individual, I can't afford to pay Comcast's high prices for fast service.

Competition is good for the consumer and for our democracy.
