**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I oppose this petition. It is important to our republic to have telecom competition and access to fast, affordable internet and phone service. I live out in a rural area so broadband service is critical. Although I currently have fiber optic at my new residence, I have relied on competitive DSL in the past. Thank you for listening to my voice.
