**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Im a residential consumer who supports broadband competition. Since I have switched, I pay less and receive better connectivity and customer service.

I implore you to support free competition.

Im saying NO to price hikes that will increase the cost of internet and telephone services.

For your consideration. Thank you.
