**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We choose a competitive provider because it keeps prices fair and reasonable.

We cannot afford price hikes that increase the cost of internet and telephone services.

Broadband is critical to our home, where my husband, a small business owner, needs broadband services, as well as I, an employee with the federal government who teleworks on a regular basis.

Thank you,

Angela Oppenheimer
