**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

PacBell, SouthwestBell, and AT&T were ripping me off for years. I'm now a customer of Sonic in San Francisco and their service has been a breath of fresh air. I use copper land line service, competitive DSL, for both phone and internet access.

My internet speed increased almost three times what AT&T was generously providing me and the cost was about half. Yeah, AT&T was TOO GOOD to me.

I'd like to see more phone and internet competition not less.
