**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose to use Sonic, another provider in the Bay Area over Comcast because their rates were more competitive and their service was far superior. I am very happy with their service.

I previously used DSL but now have fiber service and find it to be much better for meeting my broadband needs, which are critical in today's connected world.

This is why I feel it's imperative that we have the Bridge 2 Broadband and the FCC reject the petition.
