**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My family was a customer of one of the largest providers of dsl on-line access and landline service for many years. The service from that company was terrible and the price was exorbitant. Last year we switched to a small, relatively new provider for both services. The new product (fiber) is excellent, service is great and the price is far far less. This choice was an option for us because competition exists in our area so OF COURSE we would be vehemently opposed to any move by the FCC to diminish that competitive atmosphere.
