**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

A competitive market ensures that consumers (like me) will have access to better prices. Incumbent carriers want to change that, and limit my access to choose the best possible service at the best possible price (like Sonic, which I currently use after leaving the unresponsive to it's customers needs, AT&T).

So, as a residential Sonic customer, I will be materially affected if this petition is granted.
