**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose SONIC, not ATT or Verizon because I was sick and tired of terrible customer service. SONIC's prices were lower, the service was better, and the speed was as fast or faster. What's not to like, or in this case, prefer. Broadband competition that preserves the opportunity for companies like SONIC to provide service to customers like me is that fair competition is all about. Don't eliminate it!
