**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support continued competition in the internet provider market. I am against oligarchy in all its forms. Deny USTelecom petition to restrict competition. Residential customers will absolutely be affected. We need our copper fiber.

Please represent the people, rather than special interest. Preserve and strengthen the 1996 Telecommunications Act. Thank you.
