**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My name is Morris Carey. I used AT&T internet services for 20 years paying over \$200.00 per month for 200mb service. About a year ago I switched to Sonic Fiber Optic Internet. I pay \$60.00 per month for Gigabit (1000mb) service. Furthermore, my Sonic service is more stable than Comcast.

I have a small company with a dozen employees. We all work from home and communicate using the internet.

Please dont take this affordable service away from us and so many others like us.

Big business is important. But, small business is too. We need companies like Sonic who keep the American Spirit of Competition alive and well.

Please dont give up on us.

Sincerely,

Morris Carey
