**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Right now I have Comcast as my ISP and am excited for when Sonic Fiber is finally compete and available in my neighborhood. They offer a much faster connection at a muck lower cost. It sucks that in our country we seem to be paying so much more and want to keep a competitive market to ensures that consumers like me will have access to better prices. That's why I oppose the petition to dismantle key components of the 1996 Telecommunications Act.
