47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer and small business owner who supports broadband competition. We need competition and a chance for smaller providers to succeed. I currently use both DSL and fiber provided by small ISP's. Our country is founded on the theory of competition and a level playing field. Let's keep it that way.
